Hi All,

Please find attached draft talking points regarding the designation schedule vs. FIP schedule/effective date. Is there a better way to soften the fourth bullet, i.e. that the FIP controls will not be in place soon enough to impact the final designations classifications?

I appreciate your comments/suggestions.

Thanks,

Jody

Hi there,

As you know, we had a consultation with the Ute Tribe last week on Deseret and the U&O FIP. There will be a follow up consultation in early January (targeting the week of January 11th), to further discuss the FIP. In preparation for that meeting, we need to put together some talking

FIP schedule/effective date. Jody and Cindy, did I miss anything? I would need the bullets, at the latest, by January 4th, since we will need to get them to Shaun a week in advance of the consultation.

Thanks,

Dee
